**NAN GROWS PARTNER CHANNEL
EXCEEDS PROJECTIONS BY 120%**

NAN CORPORATE HEADQUARTERS, NORTH ATTLEBORO, MA – October 31st, 2016 - NAN is pleased to announce the growth of its Partner Channel. With the signing of its 16th contributing partner, NAN has exceeded expectations by 120% over the last three quarters. Since the launch of its channel-focused sales initiative, NAN has surpassed its goals and continues to welcome new partners to its aggressive program. “NAN’s focus is on enabling its valued partners to provide top-notch services to their clients – NAN is always there to back them up and answer increasingly complex questions.” says E. Burke Anderson, President & CEO. NAN focuses on providing a wide range of services to Partner clients with an emphasis on designing the right solution up front and solving customer problems quickly. NAN’s industry certifications across many technical areas provide Partners with the confidence of NAN’s skills, and 25 years in the business allows NAN to draw on a depth of knowledge few providers enjoy. NAN projects continued growth of their partner channel into Quarter 4 and throughout 2017.

If you or your company have interest in NAN’s Partner Program, please contact partner@nan.com or call 800-299-3330 for more information.
